

Does your dog love to sniff? Discover the FUN of K9 Nose Work®!

K9 Nose Work® —the newest craze for dogs is now sweeping Australia. Suitable for the everyday dog owner as well as “stressed, anxious and reactive dogs” or those that are interested in the sport of K9 Nose Work®. Join **Marion Brand, founder of Australia’s K9 Nose Work® and Peta Clarke, sought after international speaker and professional trainer of free flight birds, marine mammals and dogs of stage and film** for a fun and exciting practical foundation workshop in Hobart, Tasmania. If your dog’s got a nose, you’ve got a K9 Nose Work® dog! www.facebook.com/K9NoseTime & www.animaltrainingsolutions.com.au

Is K9 Nose Work® suitable for any dog?

K9 Nose Work is suitable for virtually any dog:-

- The “everyday” dog owner
- Dogs with physical limitations
- Young—elderly dogs
- Shy, fearful or anxious dogs
- Reactive dogs
- Dogs that need to burn off energy
- Bored dogs
- Fun and enjoyment
- More serious scent detection search
- Competition sports

What are the benefits of K9 Nose Work®?

- Great way to burn energy and increase focus
- Builds self control, confidence and trust
- Reduction in reactivity to other dogs and acceptance of new environments
- Builds calmness
- Keeps dogs fit and healthy
- Mental stimulation creates a “tired” dog
